

One Day Workshop

Smart Mining and Rock Engineering

22.09.2024, New Delhi

Mining Education, Operations and Opportunities in Digitized World: A Mining 4.0 Perspective	09:30 – 11:00	Prof Debasis Deb Deptt. of Mining Engineering IIT Kharagpur
<i>Tea Break (11:00 – 11:15 hrs)</i>		
Mine Automation and Digitalization through Mining Technology Innovation (5S Mining with Mining 5.0)	11:15 – 12:45	Prof. Dheeraj Kumar Deptt. of Mining Engineering IIT (ISM) Dhanbad & Project Director, TEXMiN
<i>Lunch Break (12:45 – 14:00 hrs)</i>		
Industry 4.0 - Digitalisation in Mining and Industry imperatives	14:00 – 15:00	Sandeep Verma Strategy Leader Thiess India - Global Capability Centre
<i>Tea Break (15:00 – 15:15 hrs)</i>		
Productivity improvement, upscaling, and implementation of advanced integrated mine planning & budgeting solutions to assist uplift (Use case studies)	15:15 – 16:15	Hari Pandey India Industry Process Consultant, Dassault Systems
Roundtable Discussion	16:30 – 17:00	Experts
